### Instructions for Applicants

Eligible community groups and not-for-profit organisations from

- Beremboke

The Yaloak South Sustainable Communities Fund now operates on a biannual model, which means eligible community groups and not-for-profit organisations are encouraged to apply for project funding from a pool of **\$62,000** every second year.

Projects must benefit the community in one or more of the following areas:

- Health and Welfare

- Education and Training
- Culture and Arts
- Aboriginal & Torres Strait Islander Health and Wellbeing
- Environment

The fund is a part of [Pacific Blue's Community Benefit Sharing Program](#), which has provided more than \$5 million to over 1000 projects across Australia since 2005.

*\* amounts are excluding GST*
